**LAWSON SOFTWARE, INC.’S EXHIBITS AS TO WHICH ePLUS INC. OBJECTS AND  
THE GROUNDS FOR OBJECTION**

Pursuant to Section V(D)(6) of the Court’s Scheduling Order, Plaintiff ePlus, Inc. (“ePlus”), through counsel, hereby submits the following general and specific objections to Defendant Lawson Software, Inc. (“Lawson”)’s Trial Exhibit List:

**General Objections**

1. Documents excluded pursuant to the Court’s rulings on motions in limine.  
Defendant’s Trial Exhibit List includes nearly 100 documents which the Court has already ordered be excluded from trial either explicitly or implicitly.
  
2. Documents not previously disclosed during discovery or pursuant to Court Order.  
ePlus also objects generally to the introduction of any evidence which, though it may be relevant to Lawson’s defenses, was not previously disclosed during discovery, in its responses to ePlus’s interrogatories or disclosed in Defendant’s Court Ordered Second Supplemental Statement of Invalidity Defenses.
  
3. Relevance. ePlus objects generally to Lawson’s introduction of any evidence

having no tendency to make the existence of any fact that is of consequence to the determination of the action more probable or less probable and to the introduction of evidence wherein the probative value of that evidence is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or misleading the jury, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

4. Exhibits not disclosed. ePlus reserves its right to present additional objections to exhibits not yet disclosed to ePlus by Lawson, including, but not limited to, Lawson Trial Exhibits DX 118, DX 119, DX 151, DX 152, DX 162, DX 368, DX 369 and DX 370.

5. Duplicative Exhibits. ePlus objects generally to Lawson's practice of including the same exhibit multiple times on its Trial Exhibit List.

6. Exhibits not properly described. ePlus objects generally to all Lawson exhibits not properly described including exhibits described as "excel spreadsheet" or impermissibly grouped exhibits.
